## Second AForGen Network Meeting

7-9 June 2013,  
Neukirchen am Großvenediger

### Travel:

The closest airport is Salzburg; from there you can take the regional train all the way to Neukirchen (around 3 hours from Salzburg city train station). Munich is also not too far (but public transport more complicated, 5 hours and more). Car rides are much faster - We can assist in negotiating pick-up/lift among participants if necessary. We will send out local transport information as the meeting comes up.

### Tentative agenda:

(Friday morning – arrival)

Friday afternoon – intro to the area (National Park Hohe Tauern); research and research plans updates (your presentations)

Saturday morning – individual research & plans – continued

Saturday afternoon (weather permitting) – walking excursion to the Almen – high pastures above the venue

Saturday night – strategic discussion: collaborative research, initiatives Sunday morning – overflow buffer for more presentations; AForGeN white paper; homepage; discuss further steps & organisational matters; next meeting

(Sunday afternoon – departure)
